Growing Readers: Practical strategies for building a thriving reading culture

LEGEND

The Sun - represents reading joy and is central to creating a strong reading culture

Canopy - the canopy is made up of connected leaves and represents reading as a social experience

Vines - used to represent agency tools

- If you like.... then you may enjoy .....
- Themed, visual and interactive reading lists
- Mood based recommendations

The gardener's compass symbolises evidence informed practice.

- Student questionnaires
- Student interviews
- Borrowing data

Pollinators - reading influencers and reading role models. Reading spreads reading.

A pathway to represent everyone has access and reading can be enjoyed in different formats

A diverse range of trees and different plants to represent a diverse collection.
- Each tree and plant looks different because readers are different.

Roots feed the ecosystem.
Growth begins with listening and being responsive

- Student voice
- Access
- Evidence-informed practice

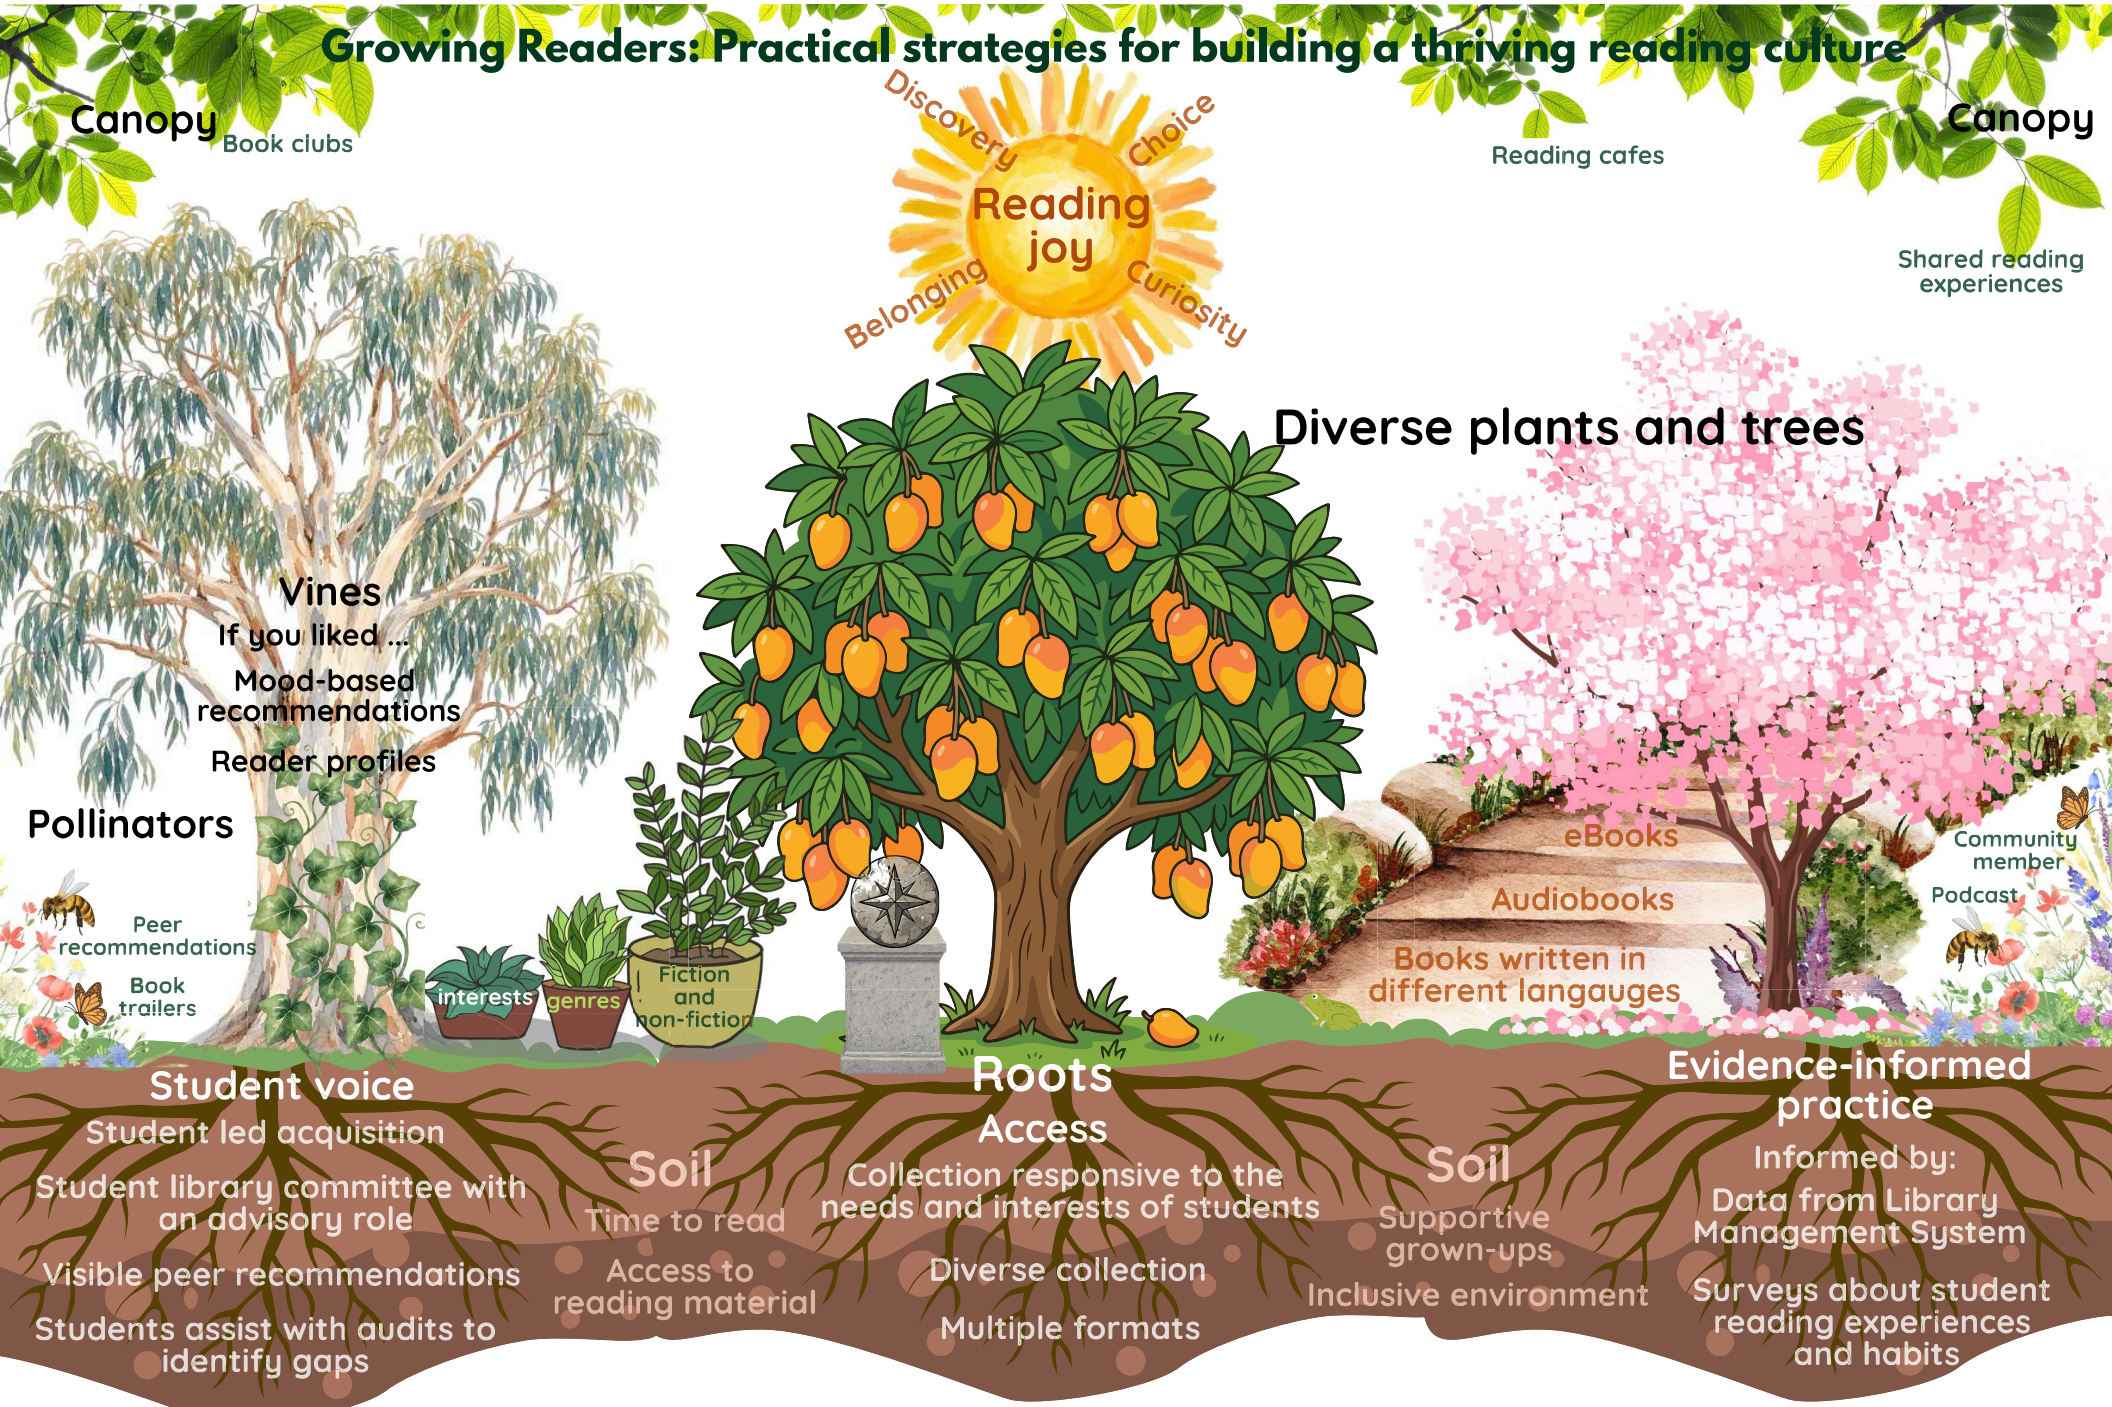

Soil - conditions for growth:

- Time to read
- Access to reading material
- Supportive grown-ups
- Inclusive environment
